Reduced rates of Travelling Allowance for rapid journeys of over 50 miles a day by road.

READ—

Government Order No. Fl. 4829-78—S. & A. 16-22-2, dated 18th April 1923, directing that all Travelling Allowance claims for road journeys exceeding 50 miles should be submitted to Government for sanction with a full explanation of the need for such journeys.

ORDER NO. FL. 8704-63—S. & A. 288-28-1, DATED 27TH MAY 1929.

Government are pleased to suspend the operation of the rule embodied in Article 590A, Mysore Service Regulations, which requires the submission to them of all claims for road marches exceeding 50 miles a day and to direct that for such marches of all officers the usual mileage rate be passed only up to 50 miles, three-fourths of the said rate being allowed for the distance in excess of 50 miles.

2. This arrangement will be tentatively in force for a period of one year from 1st June 1929.

3. The need for rapid marches of more than 50 miles should, however, be noted in Travelling Allowance bills for purposes of audit and the Comptroller will be competent under standing orders to refer to Government cases in which rapid marches do not appear to be in the interests of public service and considerations of economy are ignored.

ANNEXURE.

Letter No. 1839 *of* 1928-29, *dated* 13*th May* 1929, *from the Muzrai Commissioner in Mysore, to the Secretary to Government, Financial Department.*

I have the honor to submit herewith the Budget Estimates of Income and Expenditure of the General Muzrai Fund for the year 1929-30 and to state as follows:—

(1) For the Agama Classes, a provision of Rs. 5,000 is made with a view to give effect to the scheme sanctioned in G. O. No. 1356-9—Muz. 133-27-12, dated 21st January 1929. The Principal of the Maharaja's Sanskrit College, Mysore, has sent up proposals asking for a grant of Rs. 5,540. These have been considered and only a sum of Rs. 5,000 has been provided and a separate reference to Government is being made in this respect

(2) The temporary grant of Rs. 200 to the Belur Temple has been retained as the selection of lands for the temple is still under correspondence and has not yet been definitely settled. The provision may be kindly allowed till the lands are actually allotted.

(3) The provision for the maintenance of the Belur and Halebid temples may as usual be allowed, having regard to the importance of the temples and need to keep them in good condition in view of their architectural importance.

(4) The provision of Rs. 2,000 allowed in the last year's budget for "Grant-in-aid" to Veda Patasalas in the State has been found inadequate as increased grants have been given to certain Patasalas while grants have been sanctioned to new ones and as applications for grants for newly opened Patasalas are being received. Individual recommendations will however be sent up and orders obtained. A sum of Rs. 3,500 at least is required. This provision may be kindly allowed.

(5) The other items of expenditure are all covered by Government sanction.

(6) The expenditure of Rs. 4,000 in excess of the income may be met from the balance as per Pass Book available at the end of this year, *i.e.*, the closing balance of 1928-29, the transactions of which year are likely to result in an appreciable *plus* balance in favour of the fund.

I solicit the favour of early orders sanctioning the budget so that it may be printed and issued.
